

SUN BEAMS

by WALTER M. BARRETT

There has been a pernicious rumor afloat that individuals are personally profiting from the Red Cross war relief drive now being conducted in Truckee. There is absolutely no basis in fact for this supposition. Whether it was started maliciously or through misunderstanding, it is a rumor harmful to a very worthy cause. The entire local personnel of the drive is working for nothing, save satisfaction in helping their suffering fellow men. These people are contributing time and money to the drive. Only the American Red Cross receives so much as a penny from the proceeds of the drive. Half is allocated to the county chapter to administer and the remainder is sent to national headquarters in Washington, D. C., to be utilized in behalf of the refugees and suffering civilians of the war zone in Europe. You can give until it hurts and rest assured that every cent will go to the worthy cause that you contributed to without commission or pay to any local Red Cross worker.

That Truckee has an abundance of talent is a matter of fact. The presentation of The Show-Off at the local grammar school and at Tahoe during the past week won the highest praise from critical audiences. If errors were made they were not detected and many professional casts would fall far short of the excellent work done by the nine local thespians and few directors could have handled the difficult task as it was done by Mrs. Wilkie. Stage settings reflected additional rare talent by Bill Englehart, Jr. All in all it was a swell show and we are looking forward to supporting a suggestion that it become an annual affair sponsored by the Truckee Lions Club.

It was gratifying to see so much interest taken in the recent school election. The voters have placed their confidence in the newly elected members and it should be incumbent on those officers to show that this confidence is not misplaced. Co-operation between officers and electors should be expected.

If you think the Truckee-Tahoe region is not an ideal place to live, a trip to the valley area will convince you otherwise—at least so far as climate is concerned.

FIREMEN TO GET INJURY PAYMENTS

The fire department Tuesday night enacted a new clause in the by-laws which provides for benefits of \$2.50 per day for firemen disabled in line of duty for the first seven days of disability. After that time the state compensation insurance takes effect, Chief N. F. Dolley said. Other routine business was transacted by the department.

RIDING STABLES OPEN AT TRUCKEE, TAHOE

With horse riding coming more and more into prominence as an outdoor recreation, Truckee and Tahoe residents will be pleased to learn that two stables are now open in the two localities.

Claire P. Goode is establishing a fine bunch of riding horses a quarter of a mile east of Truckee on the Reno highway and F. E. Walker and Bud Walker have opened a stable of choice mounts half a mile west of Tahoe City on the Truckee road. Both stables maintain a guide service and will cater to hunting and fishing parties as well as those who wish a short canter.

PLAY STAFF FETED BY LOCAL LIONS CLUB

Following the presentation of The Show-Off at the grammar school auditorium Saturday night, the Lions club was host at an informal reception for the cast and others connected with the play at the home of Mr. and Mrs. W. M. Englehart, Sr. Refreshments were served and music was enjoyed.

Red Letter Day

Thursday, June 6, proved a day for family celebrations at Big Chief Camp when Mr. and Mrs. C. A. Tollefsen and Mr. and Mrs. Sterling Ralphs, their son in law and daughter, observed their first anniversary as owners of the Truckee river resort and Rex Tollefsen also celebrated his 16th birthday.

Evasive Driver Sentenced After Justice Hearing

Two Counts of Hit and Run Result in Fines Of \$125

NABBED IN NEVADA

Woman Slightly Injured By Valley Motorist At Tahoe City

J. C. Drake, 48, Chico builder, was fined a total of \$125 on two counts of hit and run driving when he appeared before Justice of the Peace Evelyn Bliss at Tahoe City yesterday. He was fined \$100 for being involved in an accident near Tahoe City in which Mrs. F. E. Ware of Yuba City was injured slightly.

Drake sped away after the mishap and was arrested near the Nevada state line by State Patrol Sergeant George Spaulding and Patrol Officer Jack Thielan. He was returned to Tahoe City where Judge Bliss fixed bail at \$300. Spaulding held the car in the Tahoe City Garage pending the outcome of the case.

Upon being released after the hearing, Drake is said to have taken the keys to the car from Carl Becholdt, Jr., leaped into his car, broke off a gasoline pump in his getaway and escaped by way of the Mt. Rose road to Nevada. Spaulding said Drake had been drinking.

Spaulding is the new state man in charge of traffic control at Lake Tahoe this summer and is a capable officer.

NEVADAN SPEAKER AT GRADUATION

The graduates of Meadow Lake Union high school were well received at the exercises in the grammar school auditorium last Friday night, Prof. J. F. Puffenbarger, University of Nevada, gave an encouraging talk to the graduates. He emphasized the important part the individual played in shaping their destinies.

Miss Marion Lothrop presented commercial course awards. Miss Anna Schmidt was especially honored, having rated 14th in a group of 7000 in her classification. The valedictory was given by Miss Dorothy Barrett and the salutatory by Miss Zella Petroni. Misses Betty and Verna Pearson pleased with a piano duet and Kenneth Foster entertained with an accordion solo. Miss Yvonne Joseph was excellent with a violin selection.

Diplomas were presented by H. I. Snider to William Preston and Misses Joseph, Petroni, Schmidt and Barrett.

DR. COZZALIO SELLS TRUCKEE PRACTISE

Dr. C. C. Cozzalio announced this morning that he had sold his local office and practise to Dr. W. D. Teeple, at present located in Escondido, Cal. Dr. Teeple will move in to the office in the telephone building as soon as he winds up his affairs in the southern California city.

Dr. Cozzalio is now associated with his brother, Dr. A. A. Cozzalio, in practise at Reno.

Fire at Garage is Slight

Fire Monday at noon caused only minor damage to a spray paint outfit belonging to the Standard Oil Co. in use at Coffey's Garage. Spontaneous combustion was blamed. The fire department responded to the alarm.

Sisters Visit

Mrs. Frank Titus has as her house guests, Mr. and Mrs. O. W. First and granddaughter, Loretta, of Sacramento, and Mrs. Caroline Pickit of Carmel Heights. The three women are sisters.

Mr. and Mrs. H. C. Lichtenberger and son Leonard of Roseville were the week-end guests of Mr. and Mrs. Dan Smith and enjoyed the Lions play on Saturday evening.

McGlashan's History Of Donner Party With Additions Published

Interesting, Authentic Book Goes On Sale In Truckee

Filling a wide demand for a true and authentic report of the ill-fated Donner Party, which contributed so largely to the early history of this section of the west, The Stanford Press has announced re-publication of C. F. McGlashen's History of the Donner Party or A Tragedy of the Sierras.

The book is made more valuable as a true account of the tragedy by the biography of the author, notes and maps by Dr. George Hinkle and Mrs. Bliss McGlashen Hinkle, son-in-law and daughter of the late author.

The original text of the old work has been photographed and reproduced in beautiful style, the pictures and drawings having been kept intact and supplemented by others in the preface and notes. The authentic recordings of the Donner Party is taken largely from personal interviews by McGlashen with survivors and from diaries of those who perished. The reader is never left in doubt as to the horrors of the situation, nor is he over-awed by the gruesomeness of these tragedies. While nothing has been taken from the original transcript, considerable has been added through the research of the Hinkles in recent years.

The book is available in Truckee at Loynd's Truckee Drug and is a volume which should be in the possession of everyone interested in the early history of California and particularly this region.

OAKLAND GIRL TO WED TRUCKEE MAN

Miss Mary Augustus of Oakland, who will become the bride of Robert Moore in Nevada Saturday, will be honored, with her fiancé, at a miscellaneous shower to be given by Mrs. Glenn Sweeney this evening at the home of Mr. and Mrs. Carl Keck. The bride-elect has been the incentive for several parties in the east bay city.

The wedding service will be attended by close friends and members of the families. The young couple expect to make their future home here, occupying one of the Botcher apartments.

LOCAL THEATER TO OFFER 'A' PICTURES

In keeping with his policy to provide local theater goers with first run Class A pictures, Manager Verne Shattuck of the Donner Theater announces that Safari, a much publicized picture starring Madeline Carroll and Douglas Fairbanks, Jr., will be shown here Sunday. Several other outstanding programs are billed including Dr. Cyclops on Saturday evening. Buck Benny Rides Again is a stellar feature for next Saturday and will be followed Sunday with Star Dust. Rebecca is billed for Sunday, June 30, with excellent pictures in the interim.

BRUSH FIRE NEAR HERE CONTROLLED

A fire which spread over several acres of brush land near Floriston yesterday was extinguished by forest service men and volunteers before it reached timberland. The blaze was the first of any consequence reported this season.

FIRE DEPARTMENT TO GO TO SCHOOL HERE

Members of the Truckee Volunteer Fire Department are looking forward to a four-day school of instruction to be conducted here from June 24 to 28 by Thomas F. Ward of the state department of education. The instructions are free to members of the department and have long been sought by the local officers. The school will be held at the fire station.

The Show-Off Wins Highest Praises From Two Audiences

Truckee and Lake Tahoe audiences are still singing praises for the fine entertainment provided by the Truckee Lions club's cast which presented The Show-Off, an outstanding comedy in three acts by George Kelly, in Truckee Saturday and at Tahoe City on Monday.

The play not only proved a huge success as entertainment, but materially swelled the club's charity fund, according to Frank W. Gaennie, who not only headed the committee in charge of the production, but very ably took the leading male role in the play as the show-off.

The directing, stage setting and acting were without doubt all done in professional style and won the entire approval of the committee in charge of the production, but very ably took the leading male role in the play as the show-off.

Taking one of the most difficult assignments ever made in a home-talent production, Mrs. Dan Smith as Mother Fisher, handled her part in a manner which merited the applause of her audience. Although given a part which could have easily stumped a professional actress, Mrs. Smith brought credit to the show with her performance.

It would be hard indeed to select the most outstanding player, each one having rehearsed thoroughly, learning their parts well. Gaennie, as the show-off, was a natural and his portrayal of the egotistical clerk with visions of grandeur and a perchance self praise, provided many laughs, beside the guffaws given by the star. As the wife of the show-off, Miss Mary Pierce won the hearts of her listeners and exemplified an abundance of natural talent.

Mrs. Olla Tonini, as Clara Hyland, proved exceptionally good in her part and shared honors with Mrs. Smith and Miss Pierce in the feminine roles.

The young son of Mrs. Fisher, a genius who concluded his part by perfecting an important invention, was ably handled by Karl K. Kielhofer, who has proved himself a capable actor.

Gino Giovannoni, as Mr. Gill, a factory worker, did a most creditable job. Ben Tonini, as Father Fisher, had a short but deserving part as did W. M. Englehart, Sr., who was portrayed as Frank Hyland, son-in-law of the Fishers, who added much to the play. Harold Laity, whose talents cannot be overlooked, took the part of an insurance agent and while

CAL-VADA FORMAL OPENING IS TONIGHT

Cal-Vada Lodge at Crystal Bay on Lake Tahoe will have its seasonal opening tonight through Saturday night, according to Manager Johnny Rayburn. Special dinners will be served by George Gallinas, famous Monterey chef. Entertainment and music will be enjoyed at "The Monte Carlo of Lake Tahoe."

WRITES FROM SCHOOL

E. J. Kearney writes his family from Los Angeles where he is attending an aeronautic school that the routine begins at 8 A. M. and continues until 5 P. M. daily with sheet metal work and welding added to the mathematical problems and flying. He finds the take off and landing easier than at Reno, due to the difference in altitude and density of air.

Chico People Here

Mr. and Mrs. Victor Strain and daughter, Miss Diane, of Chico were guests at the W. F. Wilkie, Sr., home during the week-end. They were present at The Show-Off.

To Attend Ceremony

Mrs. Rose Kielhofer and son, Karl, will attend the wedding in Sacramento of Miss Bliss Baxter who will wed a San Francisco man on Sunday, June 16th.

Miss Baxter, daughter of Mr. and Mrs. H. M. Baxter, was born here and remained in Truckee for some time where her father was a telegraph operator. The family later left to make their home in the capital city.

only on the stage briefly, left a good impression.

Too much cannot be said for the directing which was done by Mrs. W. F. Wilkie, who neglected her duties and pleasures to make the play one of the most outstanding successes in recent years. Rehearsals were carried out over a period of two months with the director being required to live and act each part presented.

The stage settings were done by W. M. Englehart, Sr., a local artist and without which much would have been lost from the entertainment.

In Truckee, during the first intermission, Mrs. Lotta Bryant, Mrs. Dave Cabona and Miss Catherine Rossarini played a piano trio and during the second intermission Mrs. Bryant and Miss Rossarini pleased with a piano duet. R. S. Boren led in community singing.

Gaennie spoke briefly, thanking both audiences for the reception given the play and introducing the cast and others in the production.

WIFE OF FORMER EDITOR PASSES AT HOME IN THE EAST

Mrs. James Holden, wife of a former publisher of the Truckee Republican, died at her home in Baltimore, Md., on May 25, according to word received here by Mrs. Frank Titus, close friend of the family.

Burial was in Chicago, according to the letter from Mr. Holden.

The Holdens were widely and favorably known in this region where they operated the newspaper for more than a year. Mrs. Holden endeared herself to many friends who will be shocked to learn of her death. They left here several years ago to return to the east.

Last summer their only son, Robert, and his bride paid a brief visit in Truckee en route to San Francisco.

Although ill for some time, Mrs. Holden was apparently on the road to recovery when she was stricken and died suddenly.

SHELL ENGINEER TO GIVE LECTURE HERE

R. S. Boren announced that W. N. Young, head office safety engineer of the Shell Oil company of San Francisco will hold an open meeting at the Truckee fire house this evening when he will give 18 physical demonstrations of features and hazards of petroleum fires.

All are invited to attend this practical lecture on fire prevention.

LIONS SHOWN THRU BAKERY AT MEETING

Harold Hart, owner of the Truckee Bakery, was host to members of the Truckee Lions club last night when a tour of the bakery revealed how bread, pastries and other delicacies are concocted. Hart, a baker of long experience, was a genial host and thoroughly explained the intricate workings of a baker's shop. The huge brick oven, mixers, slicing machines and other apparatus held the interest of the visitors.

During the dinner that followed, an amusing skit was presented by A. P. Leitch, Harold Hart, Verne Shattuck and C. Edmunds.

A report of the recent benefit play was given showing a very satisfactory result. Officers will be elected at the next meeting. W. M. Englehart, Jr., being the only candidate for president of the club.

Betrothed Couple Here

Bernard Vernazza and Miss Lucy Brummel of Graeagle visited with the former's sister, Mrs. Mary Roquette and Mrs. Elden Tonini and attended The Show-Off.

The couple will be married in Reno Saturday with relatives present. They plan to make their home in Graeagle.

James Moran, 22, Truckee and Miss Geraldine Bohnsach, 19, Marysville were issued a wedding license in Reno Monday.

Changes Made On Boards As Elections Held

Clarence Bowers Elected To Grammar School Board

234 BALLOTS CAST

Pearson, Greene Win Places As High School Trustees

In one of the most spirited school elections ever held in Truckee, 234 voters turned out between 2 and 6 P. M. last Friday to elect Clarence Bowers to the grammar school board, to replace the incumbent, Mrs. George Kamp by a tally of 143 to 88.

In the high school election held at the same time, Vernon Pearson received a total of 194 votes while L. A. Greene, a write-in candidate who announced himself only the day previously in the Sierra Sun, polled 117 votes. H. I. Snider, the incumbent, had only 48 write-in votes. He had announced the day before that he did not care to be returned to office. Mrs. Frank Titus declined to seek re-election. The board will meet soon to reorganize.

The grammar school board now comprises Mrs. Dan Smith, N. F. Dolley and Bowers. On the new high school board will be Mrs. Lotta Bryant, Mrs. Henrietta Weeks, A. Schmidt and the newly elected Pearson and Greene.

Bowers received three write-ins on the high school board, Charles White, one, Orlan Sanders, one and Mrs. Titus one.

MANY NOW AT LAKE HOMES FOR SEASON

Among home owners already at Tahoe for the season are Mrs. Richard Ham of Oakland, Mr. and Mrs. Holland Frazee of Sacramento, Mrs. Beth Rider of Piedmont, Mr. and Mrs. Fred Repp of Berkeley, all of whom make their summer residence near Dollar Hill; Mrs. L. Huntley of Auburn is at her home near Meeks Bay Vista; Mrs. John Reedy with her sister, Miss Ann McDonald of Stockton, has opened her home in Timberland Tract; Mr. and Mrs. C. Pettit of Los Angeles are at their Carnelian Bay home; Mrs. Claire Black of Piedmont is in her Lake Forest home; C. E. Townsend of Oakland has opened the family home at Tahoe Pines; R. O. Boyston of Pittsburgh is occupying the family home in Lake Forest Unit No. 3.

SENTENCE IMPOSED BY LOCAL JUSTICE

Ted Walker will serve a 15-day county jail sentence or pay a \$30 fine imposed Tuesday by Justice of the Peace C. E. Smith after Walker was found guilty of violation of the county sobriety ordinance. He was arrested by State Patrolman A. C. Barrick.

GIRL RECOVERS FROM ELECTRICAL INJURIES

Miss Catherine Anne Matson, young daughter of Mr. and Mrs. Chester Matson, is fully recovered from a freak accident which she suffered several weeks ago. The child placed an electric iron plug in her mouth and was severely burned. Rushed to a specialist in San Francisco, treatment was given and no serious after effects are expected.

ASSOCIATION MEETING

The next meeting of the Lake Tahoe-Sierra association will be held at Globin's Al Tahoe Lodge (south end of the lake) on Tuesday at noon. Luncheon will be served at \$1 a plate.

Return with Visitors

Mr. and Mrs. Everett Parker went to Mt. Shasta on Saturday and returned with Mrs. L. W. Rider and Connie and Richard Rider who will remain here until Saturday when the group will go to Dixon.

EDITORIALS

FATHER'S DAY

Surveying the fathers we know, it's our conclusion that the average, run-of-the-mill dad is well entitled to a day of his own. This year Father's Day falls on Sunday the 16th. The annual blitzkrieg of demands on the paternal purse has just passed its peak, with school expenses for graduation dresses, pins and presents, trousseaus and weddings for June brides, vacation budgets for the whole family—to say nothing of the June 15th instalment on the income tax. Because of those heavy drains, many quite ordinary dads forego the new golf clubs, fishing tackle, pipes or the books that fathers like to have. And to dads like that, a surprise gift or a bit of special attention from the family on Father's Day, or any day, is a heart warmer indeed. Most men don't care much for the "Mother Machree" type of sentimentality that goes with Mother's Day—but you can bet that any father will appreciate a simple spoken "Dad, you're a great guy and I want you to know that I realize it." He may seem fussed and embarrassed something and grunt about "foolishness", but he'll like it. Might remember that—on Father's Day.

SERVANT OF ALL

Many persons think of banking as the representative of "big business" and say that it exists primarily to serve large interests and wealthy people.

No criticism could have less justification. There are some 45,000,000 savings depositors, and the average is less than \$600. More than 90 per cent of all savings accounts are insured in full by the Federal Deposit Insurance Corporation which means that they are accounts of \$5,000 or less. The services of banking are therefore primarily for the people of small and moderate means.

In the field of bank loans, a similar situation obtains. There are some 169,000 manufacturing plants in this country, plus 177,000 wholesalers, 1,700,000 independent retailers, 20,000 hotels, etc. It is obvious that relatively few of these businesses are large in any sense of the word. They are small and middle-sized—and they are involved in the great bulk of banking transactions. It is a significant fact that a great deal of present-day bank advertising and other promotional effort is aimed at the prospective small borrower—the man who has a legitimate use for a few hundred or few thousand dollars.

If banking existed just to serve big-business there would be few banks—there aren't enough big businesses to keep America's 15,000 banks going. Banking is the servant of all the people, not a few.—Camden (N. J.) Argus.

SPAGHETTI CONSCIOUS

Many of the men and women who work for the Federal government are engaged in the well-known work that is commonly called "publicity." No one could possibly quarrel with the necessity of disseminating useful information concerning the activities of government, and a lot of that is included. But on the other hand, ridiculous examples are forever coming to light, examples in which the taxpayers' money is heedlessly wasted.

One such example bobbed up to the surface recently in a report by the Federal Trade Commission. The gist of its pronouncement is as follows "The Federal Trade Commission has ruled that the length of macaroni or spaghetti is in no way indicative of its quality. . . .

"The Commission finds that . . . genuine macaroni and spaghetti of the finest quality are made in both long and short lengths, and that macaroni and spaghetti of the finest quality are in some instances first made in long lengths and thereafter cut into short lengths. . . ."

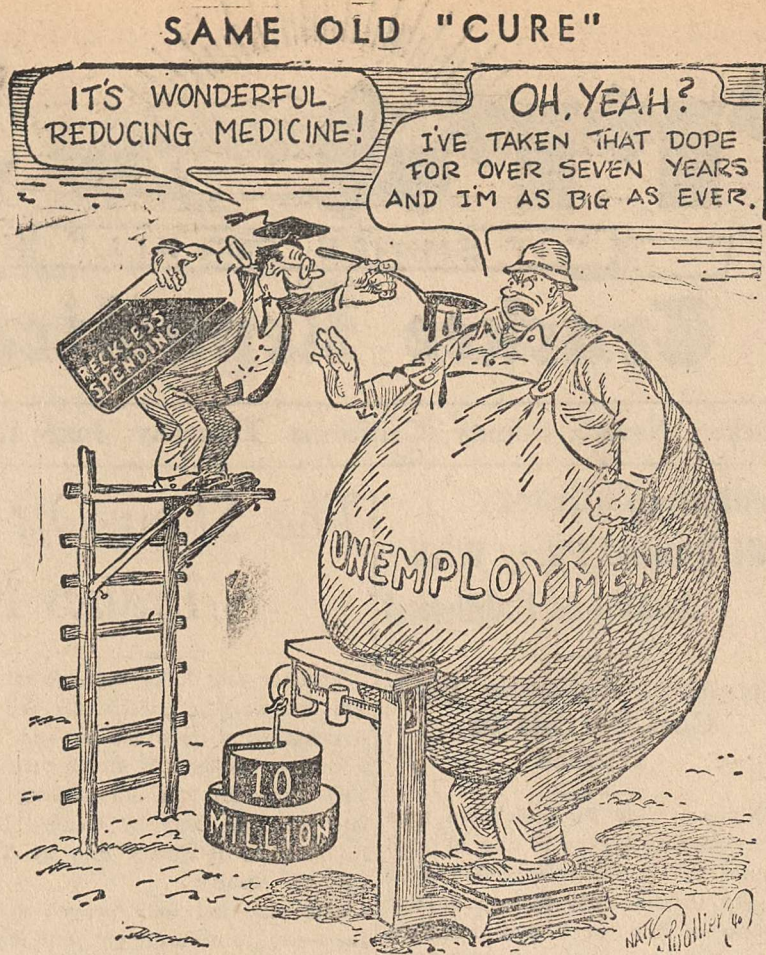

This, as one Congressman comments, is "epical as well as epochal." How comforting—how very comforting—it is to all of us to know our government is always on its toes, watching out for those perfidious individuals who would discriminate against spaghetti on the basis of its length!

"The issue of free speech is by no means confined to the interests of newspapers. The larger stake in the question is held by the American people. If the right of free speech is denied through suppression of the independent voice of the newspapers, that of the people goes on also."—Charlotte (N. C.) Observer.

"Those who call themselves liberals, who believe in an increase in anybody's power whether that person be in industry or government, are taking a great and valuable word in vain. Far from being liberal, the persons who try to solve their problems by concentrating power in the hands of a single individual, or in the hands of a group around a single individual in Washington, in Wall Street, or anywhere else, are really reactionaries."—Wendell L. Willkie.

The United States War Department recently approved establishment of an aerial gunnery and bombing range in the vicinity of Thirsty Canyon, Nye County, Nevada.

History of reform—The futile search for a plan that will magically make the world better than the people in it.

Politically Speaking

by JOHN W. DUNLAP
United Press Staff Correspondent

SACRAMENTO, June 13 (U.P.)—The long awaited final figures on the May 7 presidential primary gave Mrs. Frank Deering of San Francisco and Patrick William McDonough of Oakland whatever honor there is in having a half-vote each on the Roosevelt third-term delegation.

Mrs. Deering and McDonough scored the highest voting totals on the Garner ticket, hence were entitled to join the Roosevelt delegation in the vacancies left by Lt. Gov. Ellis E. Patterson and William Gibbs McAdoo. Being delegates-at-large, they split one vote between them.

When there is a long list of names on a ballot, those at the top invariably get the most votes. Mrs. Deering was No. 1 on the alphabetical list, but McDonough, No. 4, passed up two women ahead of him by a narrow margin.

There had been some speculation where Gov. Uclbert Olson would land, in view of the recall campaign against him. He was listed No. 5 in alphabetical order but ran second only to I. B. Dockweiler, the former national committeeman, who was first on the ballot.

Willis Allen was first on the hat and egg ticket and also the leader of his movement, so he surprised no one by leading his group in votes. As for Patterson, he was tied for second in votes although 38th in order on the ballot.

Bradford Melvin, state Republican chairman, got 538,112 in his first-place spot on the ballot. The breakdown on the four Democratic tickets gave Dockweiler (Roosevelt), 723,782; Mrs. Deering (Garner), 114,584; Allen (Ham and eggs), 90,718; and Mrs. Fay E. Allen (left-wing), 48,337.

The Democratic delegation had a rift over plans for embarking for the Chicago convention in July. One fac-

Know Your AMERICA

(Ed. Note: This is one of a series of short articles taken from data compiled for scenes of "America! Cavalcade of a Nation", theme spectacle of the 1940 California World's Fair.)

In the eighteenth century religious and political persecution in Europe drove thousands of persons to the New World, until by 1776 non-English peoples made up more than a quarter of the population of America. These groups included the Huguenots expelled from France the Highlanders who supported the Stuart cause in Scotland, Germans who fled from the Rhineland with the invasion of the French armies, and the Irish Protestants who left the north of Ireland because of harsh English laws regulating their industries and commerce. These nationals with the English came over and occupied the frontier region from New Hampshire to the Carolinas.

tion wanted the California delegation to join Washington and Oregon on Treasure Island prior to entraining east. A southern faction had thought of an Arrowhead Springs blowout instead of Treasure Island.

The issue was apparently settled when State Chairman Paul Peek issued invitations to Washington, Oregon Democratic leaders to join with the Californians at the world's fair July 9 and leave for the east the following morning. Peek said the western delegations easily could connect with groups from Utah and Idaho in Salt Lake City and other delegations in Denver and Omaha en route.

The shifting political philosophy of Lieutenant Governor Patterson has him back on the Roosevelt bandwagon now (or at the hour when this was written). Patterson has been hopping around so much it's hard to say at any particular time just where

OUR WEEKLY SERMON

by REV. HENRY OSTROM, D.D.
(The Moody Bible Institute, Chicago)

TEXT—When Pilate saw that he could prevail nothing, but that rather a tumult was made, he took water, and washed his hands before the multitude, saying, I am innocent of the blood of this just person: see ye to it. (Matt. 27:24).

Pilate displays his hands before the blood-thirsty mob! Splashing water over them, he announced himself innocent.

Pontius Pilate! Man, your hands are not your seat of guilt. You must go deeper, far deeper, to strike the root of what could signify innocence concerning any deed. Your hands may have needed washing but your motive seems to swing like the pendulum of a faulty clock. Your Yes and No means to the one accused, release or death. You can be either a justifier or an executioner. Would that you might have washed your eyes with something ten thousand times more cleansing than water. Then you would have really seen the Son of God before you. Or that you had washed your ears deeply with such, then you would have heard words from the One who has all authority. But to eyes and ears no such could have been applied without first reaching the motive. The main spring of conduct in Pilate was defective. Not his hands or eyes or ears—his heart was wrong.

A man can be very superficial and hold high office. Yet superficiality is more a symptom than a disease. Superficiality sees the mob, but the disease caters to it. Dismiss the mob and lock the governor up within four walls and the disease is still there.

Pilate was not true. Overloaded with expediency and untrue at heart, with the most momentous event of all history to settle, he wanted something more than he wanted to be true. Now sin is like its author, the devil, who abode not in the truth. Sin getting into man wins the motive, Conceiving, deceiving, lying, betraying are all included in it, with much else. Here we see why it is written that "the heart is deceitful above all things," and here is where we see that God cannot look upon iniquity

he stands.

Patterson was a Republican as late as 1935, then switched to the Democrats for re-election as an assemblyman. He courted the ham and eggs votes for election to lieutenant governor in 1938, then switched off to a \$60 per month pension plan. When the primaries rolled around, Patterson joined the Roosevelt "harmony" slate, then bolted to form his own left-wing liberal ticket which ran ingloriously last. Part of his campaign was a denunciation of the President and his foreign policy, hence the eyebrow raising when Patterson glibly about-faced and came out for Roosevelt again.

"I've got to stick with the Democrats; I can't go with the Republican and I'm certainly not for Earl Browder," he said. Then he smiled and added that he might switch back to the G. O. P. "if the Democrats keep getting reactionary."

Patterson privately admits that Sen. Hiram Johnson is leading both the Republican and Democratic races although Patterson intends to further his own battle for the Senatorship by attacking the Johnson Act, drawn by the veteran solon. This act prohibits credits to countries who are in default on their debts from the last world war.

Patterson summed up his foreign ideas by urging all possible aid to the allies short of declaration of war on opposing belligerents, and advocating seizure by the United States of all islands in the Western hemisphere owned by present belligerents "to prevent their use being used as bases for an attack against the United States in the event of a German victory."

with the least degree of allowance, "The whole head is sick, and the whole heart faint; . . . and there is no soundness" (Isa. 1:6).

We might not have seen Pontius Pilate so singled out but that our Lord Jesus Christ was "delivered up" by him to be crucified and a notorious robber released. But seeing him thus, oh, turn quickly. "Fix your eyes upon Jesus." It is He who says, "Blessed are the pure in heart, for they shall see God."

THE POCKETBOOK of KNOWLEDGE BY TOPPS

MAMMOTH CAVE IN KENTUCKY HAS NEVER BEEN FULLY EXPLORED AND ITS AREA IS UNKNOWN

INDUSTRY SERVES THE FARMER—OVER 1,500,000 TRACTORS ARE NOW IN USE ON U.S. FARMS, COMPARED WITH 920,000 IN 1930

CHINA AND MONGOLIA COMBINED LARGER THAN THE U.S., HAVE LESS THAN 9000 MILES OF RAILROAD, COMPARED WITH 253,000 MILES IN THIS COUNTRY

IT TOOK 9 HOURS FOR A FACTORY WORKER TO EARN A PAIR OF WORK SHOES IN 1914—IT TAKES ONLY 3 1/2 HOURS TODAY!

ONE OUT OF EVERY THREE WORKING HOURS IN AMERICA'S INDUSTRY HAS BECOME LETS JOE TIME SINCE 1890—

Hardrock Harry Welcomes Summer Tourists in verse (?)

Howdy, stranger, come right in,
We're Glad to see you here;
The nicest thing in this here State
Is swell Sierra Beer!

Oh, we got lots o' purty things,
From gals to scenery;
But Me . . . I always figured that
Takes more than Greenery!

Folks say the Best in life is free;
I think it costs a Dime.
Cause that's Sierra Beer's one price
And, Friend, it's mighty Fine!

So . . . step up Stranger,
Have a Beer;
Nevada's Yours . . . more over
We hope you like this Place so well
You'll stay on Here forever!
—from the life & letters of Hardrock Harry.

WE WISH TO EXPRESS OUR SINCERE THANKS

Thanks

FOR THE FINE CO-OPERATION OF THE PEOPLE OF TRUCKEE AND LAKE TAHOE IN SUPPORTING OUR BENEFIT PLAY THE SHOW-OFF.

Our especial appreciation is extended to those members of the staff, Mrs. Wilkie, the director, and others who gave so generously of their time and efforts to make the show such an outstanding success.

LAKE TAHOE NEWS

"NEWS & VIEWS ABOUT THE LAKE"

by ANNE B. ANDERSON

TAHOE UTILITY TO RAISE \$900 NEXT YEAR BY TAXATION

TAHOE CITY, June 13— At the last meeting of the board of directors of Tahoe City Public Utility District an ordinance was passed to raise \$900 next year by taxation on the district for redemption of bonds and interest payment. C. W. Vernon, president of the board, said the action was taken because of insufficient revenue from sales of water this year to meet bond and interest payments next year.

Under the plan of taxation, Vernon said, unimproved lots made more desirable for business and homes by the improved water service and fire protection will bear a share of the cost. Last week the new fire protection system was inspected and approved by the Board of Fire Underwriters with recommendations that the district purchase a standard size fire hose and hose truck. This, with a well organized volunteer fire department, the inspection engineer said, would entitle residents to greatly reduced insurance rates. Business men are now considering the purchase.

SKI CLUB PARTY IS REPORTED SUCCESS

TAHOE CITY, June 13— The spring card party and dinner given by the Lake Tahoe Ski club on Saturday night was attended by about 85 people from nearby communities. Mrs. Stella Watson, the hostess, had decorated the long hall and tables with snow scenes, evergreens, replicas of the club's skating rink and spring flowers. Tables were trimmed with the blue and white insignia of the club and tiny clothes pin figures in snow costumes.

Twelve tables of bridge and pinochle were in play with the following high scorers: at bridge, Mrs. J. Hancock, first, and Mrs. Carl Bechtold, Sr., consolation; at pinochle, Monett Hamilton, first, and consolation to Mrs. Jess Sisk.

A substantial sum was added to the club treasury by the receipts of the party and the hostess and her committee deserve much credit for their efforts.

TAHOE SCHOOL NOTES

Graduating exercises for Tahoe Lake elementary school will be held in the auditorium on Wednesday, June 19, in the evening. Diplomas will be presented to the four eighth grade pupils by Mrs. Northrop Pomin, clerk of the board of trustees. A play will be given, written by the children and featuring the four graduates with members of the senior room assisting. The school orchestra will play, directed by Otto Fox of Auburn. Graduates are Richard Hinkle, Faith Pyle, Helen and Thelma Edley. The play and exercises are free and teachers and students have extended a cordial invitation to all friends to attend.

Tahoe Branch of Placer Union high school entertained at a dance in the school auditorium on Friday night, June 7. Many of the school's alumni were present as were students from Stanford, California and Nevada universities. About 50 students and friends participated in the dances which included modern and old time dances including tag and broom dances. Mrs. G. H. Hinkle was hostess of the evening, assisted by Mr. and Mrs. Bernard Corrigan.

Miss Luo Crandall, supervisor of child welfare in Placer county, gave routine examinations to Tahoe school children on Thursday last. Dr. C. B. Pedersen gave heart and lungs examinations. Children were, in the main, in excellent condition.

Mrs. Pomin Re-Elected To School Board by Big Vote

TAHOE CITY, June 13— One of the largest school election from a standpoint of votes cast at Tahoe City gave endorsement to the consistently progressive tenure of Mrs. Northrop Pomin by giving her 92 of the total of 114 votes cast at the election Friday. One vote was nullified and 21 were cast for the opposing candidate, Tejas Edwards.

At King's Beach school, I. Astle was elected.

TAHOE STATISTICS

TAHOE CITY, June 13— The level of Lake Tahoe on Monday was 6228.15 feet. Thermometers ranged from a high of 74 on Sunday to a low of 39. Precipitation recorded during the week totalled .02 inch. It is anticipated that the lake level will continue to rise for about a month yet due to snow remaining at higher altitudes.

TAHOE RED CROSS WAR RELIEF FUND GROWING STEADILY

TAHOE CITY, June 13— Tahoe chapter of the American Red Cross has now received donations totaling over \$170. Many of the civic organizations have given largely to the cause. Ladies will meet at the center on Wednesday to sew and knit from 10 A. M. to 4 P. M. and it is hoped that as many members and friends as possible will attend for as long a time as possible to assist in the work. Some ladies will bring their lunch and spend the day.

Contributors who have donated to the fund since the compilation of the list in last week's Sierra Sun are: Mrs. Stella Watson, Mr. and Mrs. Weller Atherton, Construction and General Labor Union No. 1324 of Carnelian Bay, Mr. and Mrs. C. D. Pettit, Mr. and Mrs. Howard Johnston, Tahoe Realty company, Mr. and Mrs. R. N. Strosnider, C. F. Edwards, Mrs. J. Schumacher.

Mrs. E. C. Borden, Mr. Solberg, Mrs. Sam Goss, Brooks Bakery, Mr. and Mrs. Fred Klamp, Mr. and Mrs. J. Obexer, Mr. and Mrs. E. H. Pomin, W. E. Farmer, Carl Rockwood and Tahoe Women's Club.

South End Community Club Will Sponsor Relief Drive

TAHOE CITY, June 13— The first meeting of the Lake Valley Community club was held at the club house at the south end wye on Thursday last. A large attendance was recorded. Members voted to sponsor a Red Cross campaign and a class in first aid instruction which will be held every Monday evening under a member of the Placerville chapter of the American Red Cross.

Plans were formulated for a potluck supper to be given at the club house on June 15 at 7:30 P. M.

A nominating committee to choose new officers for the year was appointed by the president. Election will be held June 27.

WOMEN'S CLUB ELECTION

TAHOE CITY, June 13— Members of Tahoe Women's club elected the following officers at last Thursday's meeting: Mrs. Willis Hevel, president; Mrs. Floyd Carnell, vice president; Miss Regina Cuneo, secretary; Mrs. C. O. Valentine, treasurer; Mrs. E. H. Pomin, Mrs. G. W. Atherton and Mrs. E. C. Rogers, directors. The next meeting will be on June 21.

TAHOE NEWS BRIEFS

Doug Smith of Tahoe City on Sunday unloaded a carload of Chris-Craft motor bats for lake purchasers. Smith is the Tahoe agent and renter of this model of boat.

Twenty-one children and adults were present at the Sunday morning services of the Tahoe Sunday school held at Tahoe Community Center. Vesper services have been suspended for last week and next Sunday at Tahoe due to the absence of Rev. G. J. E. Keetch at a Methodist conference.

Mrs. William Mayhew is now at Kings Beach for the summer with her daughter, Mrs. Joe King. Also visiting the Kings are Mr. and Mrs. Pete Galan of San Francisco.

Mrs. Luetta Hill and Mrs. Helen Baldstrom of Turlock arrived at Homewood last week for the season.

Mr. and Mrs. Harry Wempen of Sacramento have leased the Cowell home on Grove street for the summer.

A new lumber business at the south end of the lake has been established near the Meyers' Wye by C. D. Tyler who was formerly connected with C. G. Celio and Sons.

A house warming at the new home of H. D. Ellmaker of Sacramento at Carnelian Bay included Col. Lincoln B. Chambers, U. S. A., and other officers and employees of the U. S. Engineers office lastweek-end. A unique feature of the home is an indoor and outdoor fireplace in which the wner placed 600 pound of wood pal and more than 600 pounds of petrified wood as well as numerous specimens of florescent minerals from all states west of the Mississippi. The building of this unusual fireplace is the work of John Spehcer of Lake Forest.

Guests at the home of Mr. and Mrs. A. Brodehl over the week-end were Mr. and Mrs. Erwin Brodehl and Mr. and Mrs. L. Hubbard of Sacramento.

Mr. and Mrs. George Wood of Coronado are occupying their lakeshore home.

Plans for the enlargement of Tahoe Park public camp by the forest service are well under way by a crew of CCC men who are also working on trails around Ward Creek.

State highway crews are surveying roads through Tahoe City preparatory to projected improvements.

MRS. O. H. LINDEMAN

Many Resort Improvements In Evidence At Lake Tahoe

TAHOE CITY, June 13— The new 49er Club near Crystal bay is rapidly nearing completion by Jack Auerbach of the Latin Quater resort in Los Angeles. Bowling alleys have already drawn competing teams from Reno, Truckee and resorts nearby. Dining room, cocktail lounge and game room opened June 8. A 6-piece orchestra and floor shows will be featured.

Cal-Vada, Cal-Neva and other north end resorts are becoming busier since the opening of the Mount Rose highway on June 6. Cal-Vada will have an official opening on June 13 with Tom King and his band from Sacramento.

Buckhorn Inn at Kings Beach opened Saturday with a free barbecue and dance.

Highways on the Nevada side of Lake Tahoe are being widened and resurfaced in several places and the Kingsbury grade leading from the eastern shore to Minden is undergoing extensive improvement work.

A new gas station at Martin's resort, at the south end is nearing completion. Tahoe Tavern Casino theater is being completely remodeled for Manager Tim Butler.

Orange Bar, at Round Mountain near Cave Rock opened Tuesday. Norma Mains and Floss Welle have charge of the concession.

At Zephyr Cove F. H. Slater has leased the campgrounds and boat concession and will build a cottage court.

Lions Play Well Received At Tahoe Presentation

TAHOE CITY, June 13— Truckee Lions club players presented the three act comedy The Show-Off before a capacity audience at the Tahoe Lake School on Monday night. The actors were well cast in their parts and the play was well received by the Tahoe patrons. A percentage of the gate was turned over to the Tahoe Branch of the Placer Union high school which in turn gave part of their share to the American Red Cross.

Mrs. Tejas Edwards played musical numbers between the acts.

Condemnation of Property Clears Way for Road Work

TAHOE CITY, June 13— Reports were received here on Saturday that the plan to widen the Truckee-Tahoe highway from Tahoe City to a point three miles toward Truckee had been given official sanction by condemnation proceedings in Judge Landis' court at Auburn. Local residents this week were circulating petitions addressed to the state highway commission urging that the work be transferred to the Tahoe City-Brockway road to eliminate many curves. The Federal Bureau of Public Roads is assisting in the proposed project.

Mrs. Floyd Carnell and son, Howard, left Tuesday for Los Angeles where she will visit at the home of her parents, Mr. and Mrs. C. A. Krueger.

Attempt To Create Donner County in 1870 is Recalled

Back in 1870 an attempt was made before the California legislature to create the county of Donner out of portions of Placer, Nevada and Sierra counties. The Grass Valley Morning Union, edited by Charles H. Mitchell, who had long been publisher of the Placer Herald, said: "If Donner county is created, Placer county will lose several well known places, and the glory of much of her history. Ground Hog's Glory, Hell's Delight, Miller's Defeat, Ladies' Canyon, Devil's Basin

Traffic on lakeshore highways is growing heavier every day, keeping Patrol Sergeant George Spaulding and Patrolman Jack Thielen hard at work. Mr. and Mrs. S. Kroonquist of Stanford university were guests at the home of Dr. and Mrs. G. H. Hinkle over the week-end.

Contribute to the Red Cross

and Hell's Half Acre. Shirt Tail Canyon, however, will be retained in Placer county. The county should fight the new county to retain her glorious nomenclature in towns."

Above the Clouds

The Man At The Keyhole
by OPERATIVE WB

Harry Bridges won't like it, but there's a move afoot, which has received some encouragement in Washington, to make the United States merchant fleet an auxiliary arm of the U. S. Navy. To insure close coordination between merchant ships and battle cruisers, and to scotch any possibility of strike tie-ups during a period of emergency, both dock workers and the personnel of the ships would take orders from the Navy Department. And there'd be an officer of the Navy on the bridge of every ship as it put to sea.

It takes a good newspaperman to cover an counties and never get scooped by the opposition. But Assemblyman Allen G. ("Scoop") Thurman, Colfax publisher and former San Francisco newsman, whose legislative district is the largest, geographically, in the state, seems to thrive on it. He has just announced his candidacy for re-election and has brought a new pair of walking shoes, preparatory to calling on his widely scattered constituents.

"Lame Duck" Congressmen—after they fall into the "lame duck" category—are a dime a dozen. And seldom do the boys provide against eventualities. Congressman Franck Havenner, the San Francisco representative who is accused of assisting Secretary Ickes, at the expense of his home town, in the Hetch Hetchy power issue, is taking no chances, however. Anticipating possible defeat at the polls in August, Mr. Havenner, our spy advises, has exacted a promise, in advance, from Mr. Ickes of a job in the Interior Department—if the worst happens.

By July 1, 1942, the Civil Aeronautics Authority expects to have trained 45,000 new airplane pilots throughout the United States.

One-third of California's rice crop is planted by airplane.

Fair In Auburn Set For June 28 to 30

Directors of the 20th District Agricultural Association have set June 16 at 2 P. M. for placing a plaque in the entrance to the fair grounds in Auburn.

Behind the plaque will be placed a sealed container in which word pictures of life in this district will be preserved until the fair scheduled for June, 2000 A. D.

Representatives of every form of industry in the district, city and county officials, and patriotic organizations have been asked to make contributions for inclusion in the container.

The 1940 fair, June 28-30 in Auburn, will see \$8,000 distributed among exhibitors. Copies of the premium list may be obtained from Secretary Manager Ray Carlisle at offices in the Waddle building in Auburn.

The program for the 1940 fair will

include two horse shows directed by Tevis Paine of Sacramento. The horse shows have scheduled for Saturday night and Sunday afternoon. Both shows will be held in the newly turfed arena, where 2,000 spectators can be accommodated at each performance.

According to B. A. Cassidy, chairman of the Board of Directors, the new \$8,000 Administration Building and training quarters will be complete and ready for use when the fair opens. The new \$15,000 Mining Exhibits Building is also under construction but will not be completed on the opening day.

Both buildings are part of a new Works Progress Administration project with members of the S. R. A. doing the work under the guidance of George Kneppler, representing the state department of architecture.

World's Largest Bomber Being Built in State

Nearing completion in a California aircraft factory is the world's biggest airplane, a 140,000-pound bomber being constructed for the United States Army Air Corps.

Many of the details of this sky giant are still closely guarded secrets, but the War Department has announced it will have a wing spread of better than 210 feet, will carry a useful load of 28 tons and will be powered by four motors with a total of 8,000 horsepower.

Most impressive of all the official statistics is the fact that the bomber could fly from the United States to Europe and back non-stop.

The fair is held on a twenty-acre tract purchased inside the city limits of Auburn by the fair board.

Carnelian Bay Store, Carnelian Bay, Lake Tahoe.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

C. F. ZINSMEISTER

LIGHTNING AT TAHOE

A lightning bolt struck a tree at Lake Tahoe, scattering wood in all directions and resulted in slight damage to nearby homes.

Fishing Here—

H. H. Coe, Sheridan merchant, and son, Robert, visited friends here this week and spent some time fishing in the vicinity.

From Woodland—

Miss Gertrude Norton, Harry Watson, his father, all of Woodland, and the latter's daughter, Mrs. Rawlins of Los Angeles motored to Truckee and Tahoe on Sunday.

Here For Week-end—

Mr. and Mrs. J. Schreimann of Sacramento, former residents of Truckee, were here over the week-end.

In Truckee—

Mr. and Mrs. W. C. Gage of the Redwood highway quarantine station were here on Tuesday visiting local friends and looking after their property.

Runs for Supervisor—

Frank Davies of Nevada City has announced his candidacy for supervisor of his district.

Here From San Rafael—

Mrs. Jean Jackson of San Rafael is staying in Truckee during a two-weeks' visit to Lake Tahoe and other points of interest in the Sierra.

Leland Laity has returned home to spend his vacation.

Leave For Summer—

Miss Marion Lothrop and Miss Anne Munro left last week-end for their homes at Sacramento and Berkeley for the summer months.

Visit City—

Mrs. C. B. White and Mrs. W. H. Laity went to San Francisco on Wednesday for a visit.

City Visitor—

Mrs. W. F. Wilkie, Sr., expected to leave yesterday for San Francisco where she will visit for several days.
